# THE GIFT OF MEMORIALS

Remember loved ones, pay tribute to someone who has touched your life, and express your friendship with a memorial. These gifts salute the lives of others by becoming a living legacy for our GICC students who are God's great blessings.

## CASH & CHECKS

One of the most prevalent and familiar forms of giving to the Central Catholic Development Foundation is by cash or check. All donors are recognized in our quarterly newsletter, as well as with a mailed receipt.

## STOCKS, BONDS, MUTUAL FUNDS & LIFE INSURANCE

The Central Catholic Development Foundation encourages you to transfer investment ownership as your contribution. Investments that have appreciated in value can be donated for the full market value. Cash value in current or paid life insurance policies are also accepted as donations. Similarly, you have the option of naming Central Catholic Development Foundation as your beneficiary or co-beneficiary of policy proceeds. We will work directly with your financial institution for these gifts.

## PROPERTY & POSSESSIONS

Both real estate and personal property are certified as charitable gifts that can benefit Grand Island Central Catholic through memorial gifts. Real estate, such as farmland, residences, and commercial property, as well as collectibles (antiques, artwork, coin collections, and others) also qualify as charitable gifts.
